4. DECLARATIONS OF INTEREST

Cllr Dover declared an interest a planning application at item 9

5. PUBLIC FORUM

None

6. PROGRESS CHECK

Clerk's report, village maintenance issues and update on actions from last meeting

6.1. Castle Hedingham Cemetery: Councillors had cleared the cemetery of unauthorised items on Friday July 8th. Where possible these have been left in a box at the cemetery for collection. A notice informing visitors was approved to be posted at the Cemetery entrance and on the village Facebook pages.

6.2. Grass cutting: The clerk reported that due to the dry weather the grass cutting contractor will be missing out the next scheduled cut.

6.3. : Pothole, Memorial Hall Cllr Toocaram reported a pothole in the car park at the front of the hall.

Action: Village maintenance will carry out a repair

7. HIGHWAYS & PUBLIC RIGHTS OF WAY

Update on Highways & Footpath issues and any new problems to report.

7.1. RESOLVED: The Parish Council Noticeboard will not be returned to St James St but will be installed against the wall at the back of Castle Hedingham Club. The location will be kept under review.

Proposed: Cllr Dover

Seconded: Cllr Gransden

Agreed unanimously

The noticeboards at the St Nicholas Church entrance and at Kirby Hall Road will be with annual

information including Parish, District, County Councillor and MP contact details but will no longer be

used to publish meeting agendas or other occasional notices. A notice will be used to direct people to the new noticeboard and contact the Parish Clerk if they have any comments.

7.2. White Lines, Village Centre: Cllr Peter Schwier had been chasing this up on behalf of the Parish Council, and an Essex Highways team had been repainting white lines around the village but not in the crucial areas at Church Lane and Church Ponds. **Action:** To follow this up with Cllr Schwier

7.3. Footpath 25, Pye Corner to Rushley Green: Further correspondence from the ECC Public Rights of Way Definitive map officer was noted, including his direction that objections to diverting a public footpath will be assessed only against the provisions of the Highways Act 1980 s119, in particular the effect on public enjoyment of the path. See <https://www.legislation.gov.uk/ukpga/1980/66/section/119>. A “made order” about any footpath diversion will be publicised with notices at the location, giving a month for members of the public to submit their responses.

Cllr Schwier arrived

8. REPORTS

8.1. Police/PCSO/Neighbourhood Watch. Police reports have been circulated to Councillors. Cllr Toocaram reported a shed break in with contents stolen, this has been reported to the police

8.2. Essex CC report. Cllr P Schwier reported on information of local interest:

Braintree e-scooter trials have been carried out over 12 months at the Ringwood Industrial Estate. As a result, an improved design of scooter has been chosen which is to be used in Braintree Town Centre

LED Lamps are being replaced in street lights by Essex Highways across the county, reducing cost

BDC Household Waste remains static at an average of 1060kg per household per year, so he is working with them to investigate ways of helping people to recycle more and encourage a circular economy

Ukraine refugee updates: these have been sent out regularly but will probably slow down now that processes and services are becoming established

Levelling Up: fibre broadband is being delivered to an additional 3,700 homes due to ECC intervention.

£0.75million is being committed to Essex Tourism including vineyards and the Essex coastline

In answer to a question from Cllr Southgate, Cllr Schwier agreed to contact Essex Highways to give advance notice of white lining crews visiting, so that cars can be moved in Church Lane & Church Ponds to enable access.

Cllr Schwier left the meeting

8.3. Braintree DC reports: Cllr J Beavis and Cllr H Johnson arrived and reported after item 10

Heddinghams Medical Centre: progress has been delayed, One Medical are being pushed to find the additional parking needed. Cllr Beavis has submitted a written question to Braintree District Council about the progress with the Riverside Walk, and feels that communication with local residents has been poor.

BDC Local Plan: this was passed by Planning Committee in July and now goes to Full Council for adoption on July 25th. The 5 year housing supply and buffer has been confirmed, with 14,000 homes to 2033. Even when the Local Plan is adopted, any loss of the 5 year supply could leave the District open to speculative development

Planning Enforcement: Cllr Beavis has been in communication with residents about a case at Rosemary Lane. She may ask the revised application to go to Planning Committee so that it is transparent due to the level of public interest. The old woodyard at Station Road has also been referred to planning enforcement, Cllr Beavis was reminded by the Parish Council that this abandoned site had been suggested as a possible option for additional parking for the Heddinghams Medical Centre as it's close to the Riverside Walk

Buckley's Tea Rooms: It has been noted that no planning applications have been submitted to BDC, this has been raised with planning enforcement

Greenwich House: The existing lawful development application has been refused (item 9) and it is likely that the owner will submit another planning application to prevent enforcement action being taken.

Capital Bid £10,000 has been allocated to each District Councillor to propose for the next budget for supporting capital projects in the Heddinghams ward.

Planning Committee: Cllr Johnson reported that he and Cllr Beavis both sit on Braintree District Planning Committee, and the rules of decision making are very clear with both of them remaining impartial until they review all the evidence and a decision made at the committee meeting.

Dry weather: Cllr Johnson urged everyone to take extra care to avoid danger of fire in the dry conditions

Vandalism: Local incidents have been reported at tonight's Sible Heddingham Parish Council meeting
