NEIGHBOURHOOD WATCH NETWORK

(NWN used to be known as

National Neighbourhood Watch)

You may be interested to know that I have access to the whole of the Essex NWN database and can see all registrations of both new schemes and new members with NWN.

This is fine.

However new schemes must be approved by the Braintree District NW Co-ordinator (ie myself as Chairman BDNWSG) so those who have created a new scheme must make contact with me first so I can explain the responsibilities of being a Neighbourhood Watch Co-ordinator .

Also if you know of anyone who is keen to be part of Neighbourhood Watch where they live and would like to receive LOCAL information and free NW items then please advise them that they must register with Braintree District NW .

They can do this by sending their request to email braintreenwsg@btinternet.com with their full name and postal address....

They will then be contacted by BDNWSG Membership Secretary who will be delighted to advise them what we offer and how we are of service and support .
