ESSEX POLICE FACEBOOK BRAINTREE POLICE

Last week a busy night for the HALSTEAD Community Special Constables while they were patrolling the town .

First they came across an elderly gentleman who had fallen over and hit his head. Luckily a junior off duty paramedic was already on scene but Sc Mihalyfi and Sc Baker assisted ambulance staff where they could.

Then acting on information from the community, they found a truck stolen from SUDBURY the night before. The vehicle was on false plates but thanks to the diligence of the officers they made extra checks that revealed the truth.
