Essex Police Independent Advisory Group

I am Chairman of Braintree & Uttlesford IAG.

The IAG's unite people and partners from diverse groups independent of the police service who work together advising Essex Police on how they can deliver and improve outcomes for all local communities.

As an IAG member your input will help Essex Police be more effective, to engage better with the public, and respond better to the needs of everyone.

The main role of the IAG is to be a "critical friend" to the Police and to give an independent perspective on issues.

It is open to all who are keen to know how everyone can work together better with Essex Police, whether you are a local resident or part of an Association/Group, to keep our communities safer. The meetings are usually once every three months on a Tuesday at 18:30hrs for an hour and are online on Microsoft teams.

If you are interested please send an email to braintreeanduttlesfordiaq@btinternet.com and I shall an update you with the next meeting.
